

QUESTION - 1

I would really appreciate if you can give me more detail in what information are you expecting from the following topics,

1. Background; is it our company presentation?
2. Objective; what do you mean by objective, of our company or the system?
3. Overall task; you mean task for the implementation? What is the difference with topic 4?
4. Specific Task and proposed Methodology; We describe implementation schedule and methodology in FORM 5. What else do you expect in this topic?
5. Deliverables;
6. Reporting Requirements; Please specify what do you expect?
7. Qualifications and Criteria; Please specify what do you expect?
8. Length and Time Frame of the assignment; is this duration of the contract?
9. Other Resources/ counter Facilities; Please specify what do you expect?
10. Any other Information(s)

CLARIFICATION

These are assignments on which we will evaluate your PSS. All these requirements have been detailed in **SECTION II: STANDARD FORMS**. Vendors are required to provide us details as per **SECTION II: STANDARD FORMS**.

SECTION III: TERMS OF REFERENCE - Vendors are not required to provide details on that. This is just a reference to what has been detailed in Section II.

QUESTION - 2

Could you clarify if Druk Air participates with any GDS for global distribution today or is it all thru your own channels / GSA's in various markets.

CLARIFICATION

Drukair do not participate with any GDS at the moment. We have our GSA's and PSA's representing us.
